

Special cards

Jack: Take the top two cards from the opposite pile and place them on top of the Jack

Queen: Make another player pick up 3 cards from the opposite pile to which it has been played

King: Force any player to swap their objective card for another card.

Ace: Force another player to discard their entire hand, face down, into either the IN or OUT pile at your discretion.

Joker: A complete free move, disregarding all the other rules of the game.
